Coeur d'Alene 29775

THE UNITED STATES OF AMERICA,
To all to whom these presents shall come,
Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey and the Certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that The Constitution Mining and Milling Company has entered and paid for the Constitution American Girl, Defender, Dakota, Percy and Fred lode mining claims, designated by the Surveyor General as Survey No. 2620, embracing a portion of Sections two and eleven in Township forty-seven north of Range two east of the Boise Meridian, in the Yreka Mining District, Shoshone County, Idaho, and bounded, described, and platted as follows:

Beginning for the description of the Constitution lode claim at corner No. 1, a post six inches square, five feet long, marked C. 1-2620, from which the south quarter corner of Section two in Township forty-seven north of Range two east of the Boise Meridian bears south sixteen degrees thirty-five minutes east three hundred thirty-five and six-tenths feet distant-

Thence, first course, south forty-seven degrees seven minutes east one hundred thirty and seventy-two-hundredths feet intersect the west line of the south east quarter of Section two in township forty-seven north of Range two east of the Boise Meridian at north two hundred thirty two and sixty-nine-hundredths feet from the southwest corner- four hundred seventy-two and forty-three-hundredths feet intersect the south line of said southeast quarter of Section two at north eighty-nine degrees fifty-eight minutes east two hundred fifty and thirty-nine-hundredths feet from the southwest corner- one thousand five hundred feet to corner No. 2, a post five and one-half feet long, six inches square, marked C. 2-2620;

Thence, second course, south fifty-two degrees twenty-seven minutes west six hundred three and five-tenths feet to corner No. 3, a post five feet long, six inches square, marked C. 3-2620;

Thence, third course, north forty-seven degrees seven minutes west one thousand five hundred feet to corner No. 4, a post five and one-half feet long, six inches square, marked C. 4-2620 and A. 4-2620;

Thence, fourth course, north fifty-two degrees twenty-seven minutes east three hundred one and seventy-five-hundredths feet to a point from which discovery cut bears south forty-seven degrees seven minutes east one hundred feet distant- six hundred three and five tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Constitution vein or lode;

Beginning for the description of the American Girl lode claim at corner No. 1, identical with corner No. 1 of said Constitution lode claim;

Thence, first course, north thirty-one degrees nineteen minutes west one thousand five hundred feet to corner No. 2 a post five feet long, six inches square, marked A. 2-2620 and P. 3-2620;

Thence, second course, south fifty-two degrees twenty-seven minutes west six hundred three and five-tenths feet to corner No. 3; a post four and one-half feet long, six inches square, marked A. 3-2620 and P. 4-2620;

Thence, third course, south thirty-one degrees nineteen minutes east one thousand five hundred feet to corner No. 4, identical with corner No. 4, of said Constitution lode claim;

Thence, fourth course, north fifty-two degrees twenty-seven minutes east three hundred one and seventy-five-hundredths feet to a point from which discovery cut bears north thirty-eight degrees west nine hundred forty-three feet distant; six hundred three and five-tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said American Girl vein or lode;

Beginning for the description of the Defender lode claim at corner No. 1 a post six inches square, five feet long, marked Def. 1-2620 and D. 1-2620, from which said quarter Section corner bears north seventy-four degrees fifty-four minutes east five hundred and seventy-six-hundredths feet distant;

Thence, first course, south forty-four degrees thirty-two minutes west three hundred feet to a point from which discovery bears north thirty-two degrees thirty-six minutes eighteen seconds west six hundred ninety feet distant; six hundred feet to corner No. 2 a post six inches square, five feet long, marked Def. 2-2620 and D. 2-2620;

Thence, second course, north thirty-two degrees thirty-six minutes eighteen seconds west one thousand five hundred feet to corner No. 3, a post six inches square, five feet long, marked Def. 3-2620 and P. 4-2620;

Thence, third course, north forty-four degrees thirty-two minutes east six hundred feet to corner No. 4, a post five inches square, five feet long, marked Def. 4-2620 and P. 3-2620;

Thence, fourth course, south thirty-two degrees thirty-six minutes eighteen seconds east one thousand three hundred seventy-seven and thirty-seven-hundredths feet intersect line 4-1 of said American Girl lode claim; one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Defender vein or lode;

Beginning for the description of the Dakota lode claim at corner No. 1, identical with corner No. 1 of said Defender lode claim; Thence, first course south forty-four degrees thirty-two minutes west three hundred feet to a point from which discovery cut bears south forty-seven degrees seven minutes east five hundred twenty-five feet distant; six hundred feet to corner No. 2, identical with corner No. 2 of said Defender lode claim

Thence, second course, south forty-seven degrees twenty-seven minutes east one thousand five hundred and twenty-seven-hundredths feet to corner No. 3; a stump six inches square, three and one-half feet high, marked D. 3-2620;

Thence, third course, north forty-four degrees thirty-two minutes east five hundred ninety-one and three-tenths feet to corner No. 4, a post six inches square, five and one-half feet long, marked D. 4-2620;

Thence, fourth course, north forty-seven degrees seven minutes west one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Dakota vein or lode;

Beginning for the description of the Percy lode claim at corner No. 1, a post six inches square, five and one-half feet long, marked P. 1-2620 and P. 2620, from which as witness corner to the quarter corner to Sections two and three in Township Forty-seven north of Range two east of the Boise Meridian, bears north fifty-three degrees thirty-two minutes twenty-four seconds west eight hundred ninety-seven and fifty-two hundredths feet distant;

Thence, first course, north fifty-two degrees twenty-seven minutes east six hundred feet to corner No. 2, a post six inches square, four feet long, marked

Thence, second course, south thirty-one degrees thirty minutes east one thousand eighty-seven and thirty-six-hundredths feet to corner No. 3, identical with corner No. 2 of said American Girl lode claim;

Thence, third course, south fifty-two degrees twenty-seven minutes west three hundred one and seventy-five-hundredths feet to a point from which discovery cut bears north thirty-one degrees nineteen minutes west twenty feet distant- six hundred three and five-tenths feet to corner No. 4, identical with corner No. 3, of said American Girl lode claim;

Thence, fourth course, north thirty-one degrees nineteen minutes west one thousand eighty-seven and seventy-six-hundredths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand eighty-seven and seventy-five-hundredths feet in length along said Percy vein or lode;

Beginning for the description of the Fred lode claim at corner No. 1 a stump six inches square, five feet high, marked P. 1-2620, from which said witness corner to the quarter corner to Sections two and three bears north forty-two degrees forty-four minutes west eight hundred ninety and seven-tenths feet distant;

Thence, first course, north forty-four degrees thirty-two minutes east one hundred sixty and seventy-six-hundredths feet to corner No. 2, identical with corner No. 1 of said Percy lode claim;

Thence, second course, south thirty-one degrees nineteen minutes east one thousand two hundred seven and thirty-five-hundredths feet to corner No. 3, identical with corner No. 4, of said Defender lode claim;

Thence, third course, south forty-four degrees thirty-two minutes west three hundred feet to a point from which discovery cut bears north nine degrees eighteen minutes west five hundred thirty-one and fourteen-hundredths feet distant- six hundred feet to a corner No. 4, identical with corner No. 3, of said Defender lode claim;

Thence, fourth course, north thirteen degrees twenty-two minutes west one thousand three hundred eighty-two feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand two hundred ninety-six and fourteen hundredths feet in length along said Fred vein or lode; expressly excepting and excluding from these presents all that portion of the ground, heretofore described, embraced in said southeast quarter of Section two; the premises, herein granted, containing one hundred five and seven hundred fifty-five-thousandths acres.

NOW KNOW YE, That there is therefore pursuant to the laws aforesaid, hereby granted by the United States unto the said The Constitution Mining and Milling Company the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said veins, lodes, or ledges, and of all other veins, lodes and ledges throughout their entire depth, the tops or apices of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically, although such veins, lodes, or ledges, in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes, or ledges: And provided further, that nothing herein contained shall authorize the grantees herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities, and appurtenances of whatsoever nature thereunto belonging, unto the said grantees above named and to its successors and assigns forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations:

FIRST: That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing, or other purposes, and rights to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constituted by the authority of the United States.

SECOND. That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Woodrow Wilson, President of the United States of America, have caused these letters to be made, signed, and the Seal of the General Land Office to be hereunto affixed. GIVEN under my hand, at the City of Washington, the ninth day of August, in the year of our Lord one thousand nine hundred and sixteen and of the Independence of the United States the one hundred and forty-first.

THE UNITED STATES OF AMERICA.
TO AL TO WHOM THESE PRESENTS SHALL COME: Greeting:

WHEREAS in pursuance of the Revised Statutes of the United States Chapter six, Title thirty-two and legislation supplemental thereto, there have been deposited in the General Land Office of the United States, the plat and field notes of survey and the certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that The Constitution Mining and Milling Company has entered and paid for the TRAINER and BENNINGTON lode mining claims, designated by the Surveyor General as Survey No. 3023, embracing a portion of Section eleven in Township forty-seven North of Range two east of the Boise Meridian, in the Yreka Mining District, Shoshone County, Idaho, and bounded, described and platted as follows;

Beginning for the description of the Trainer lode claim at corner No. 1, a quartzite rock 4 x 10 x 16 inches, marked 1-T-3023, in mound of earth and stone, situate on line 1-2 of the Constitution lode claim, Survey No. 2620 at a point from which corner No. 2 bears south forty-seven degrees one minute east one thousand thirty-six and seven-tenths feet distant and the quarter corner to Sections two and eleven in Township forty-seven north of range two east of the Boise Meridian, bears north eighty-nine degrees fifty-one minutes west two hundred fifty and two-hundredths feet distant;

Thence, first course, south eighty-nine degrees fifty-one minutes east four hundred feet to a point from which discovery bears south forty-two degrees twenty-seven minutes east sixty-five feet distant; seven hundred seventy-five feet to corner No. 2, a cross (x) and 2-T-3023 marked on the face of a cliff of rock in place;

Thence, second course, south forty-two degrees twenty-seven minutes east one thousand two hundred thirty-seven and one-tenth feet to corner No. 3, a cedar post four inches square, four feet long, marked 3-T-3023, in mound of earth and stone;

Thence, third course, north eighty-nine degrees fifty-one minutes west seven hundred seventy-five feet to corner No. 4, a fir post five inches square, four and one-half feet long, marked 4-3023, in mound of earth and stone, situate on line 4-1 of the Minnie lode claim, Survey No. 2803 at south thirty-five degrees forty-six minutes east two hundred feet from corner No. 4.

58/586

SHOSHONE COUNTY, IDAHO

Thence, fourth course, north forty-two degrees twenty-seven minutes west two hundred ten and sixty-seven-hundredths feet intersect line 3-4 of said Minnie lode claim and line 2-3 of said Constitution lode claim at south fifty-two degrees twenty-seven minutes west twenty-four and fifty-three-hundredths feet and eighty-two and eighty-four-hundredths feet respectively from corners Nos. 4 and 2; one thousand two hundred thirty-seven and one-tenth feet to corner No. 1, the place of beginning; the survey of the lode claim as above described, extending one thousand two hundred thirty-seven and one-tenth feet in length along said Trainer vein or lode.

Beginning for the description of the Bennington lode claim at corner No. 1, a fir post four and one-half inches square, four feet long, marked 1-B-3023, in mound of earth and stone, from which the quarter corner to Sections eleven and twelve in Township forty-seven north of Range two east of the Boise Meridian bears south two degrees forty minutes thirty seconds east four hundred sixty and fourteen-hundredths feet distant;

Thence, first course, north eighty-nine degrees fifty-one minutes west seven hundred feet to corner No. 2, a fir post five inches square, four feet long, marked 2-B-3023, in mound of earth and stone;

Thence, second course, north thirty-two degrees forty minutes west two hundred five and seventy-six-hundredths feet intersect line 1-2 of said Minnie lode claim at south fifty-two degrees twenty-seven minutes west seventy feet from corner No. 1; one thousand five hundred feet to corner No. 3, identical with corner No. 4, of said Trainer lode claim, situate on line 4-1 of said Minnie lode claim at north thirty-five degrees forty-six minutes west one thousand two hundred ninety and thirty-two-hundredths feet from corner No. 1

Thence, third course, south eighty-nine degrees fifty-one minutes east three hundred fifty feet to a point from which discovery bears south thirty-two degrees forty minutes east forty feet distant; seven hundred feet to corner No. 4, a cedar post six inches square, four feet long, marked 4-3023, in mound of earth and stone;

Thence, fourth course, south thirty-two degrees forty minutes east one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Bennington vein or lode; expressly excepting and excluding from these premises all that portion of the ground hereinbefore described embraced in said Minnie lode claim, Survey No. 2803 and said Constitution lode claim, Survey No. 2620, and also all veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; the premises herein granted containing thirty-four acres and three hundred ninety-one thousandths of an acre.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said Constitution Mining and Milling Company, the said mining premises hereinbefore described, and not expressly excepted from these presents and all that portion of the said veins, lodes or ledges and of all other veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically although such veins, lodes or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises; provided, that the right of possession to such outside parts of said veins, lodes or ledges shall be confined to such portions thereof as lie between vertical planes drawn through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes or ledges; and provided further, that nothing herein contained shall authorize the grantees herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities and appurtenances of whatsoever nature thereunto belonging unto the said grantees above named and to its successors and assigns forever; subject nevertheless to the above-mentioned and to the following conditions and stipulations;

FIRST, That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing or other purposes and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND, That in the absence of necessary legislation by Congress, the Legislature of Idaho, may provide rules for working the mining claim or premises hereby granted, involving easements, drainage and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Calvin Coolidge, President of the United States of America have caused these letters to be made Patent and the seal of the General Land Office to be hereunto affixed. GIVEN under my hand at the City of Washington, the sixth day of June, in the year of our Lord one thousand nine hundred and twenty-five and of the Independence of the United States the one hundred and forty-ninth.

Coeur d'Alene 012740

THE UNITED STATES OF AMERICA, TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING:

WHEREAS, in pursuance of the provisions of the Revised Statutes of the United States Chapter six, Title thirty-two and legislation supplemental thereto, there have been deposited in the General Land Office of the United States the Plat and Field Notes of Survey and the Certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that THE CONSTITUTION MINING AND MILLING COMPANY has entered and paid for the SOUTH CONSTITUTION No.1, SOUTH CONSTITUTION No.2, CHICAGO, SPOKANE SOUTH CONSTITUTION No.3, THWAITE and SOUTH CONSTITUTION No.4 lode mining claims, designated as Survey No.3116, embracing a portion of Sections eleven and twelve in Township forty-seven north of Range two east of the Boise Meridian in the Yreka Mining District, Shoshone County, Idaho, and bounded, described and platted as follows:

Beginning for the description of the SOUTH CONSTITUTION No.1 lode claim at corner No.1, a pine post five inches square four and one-half feet long, marked 1-1-3116, with mound of earth and stone, from which the quarter corner between Sections eleven and twelve in Township forty-seven north of Range two east of the Boise Meridian, bears north eleven degrees thirty-four minutes west five hundred forty-four and three-tenths feet distant; Thence, first course, south fifty-two degrees twenty-seven minutes west three hundred feet to a point from which discovery tunnel bears north thirty-eight degrees twelve minutes west nine hundred eighty feet distant; six hundred feet to corner No.2, a fir post five inches square, four and one-half feet long, marked 2-4-1-1-3116, with mound of earth and stone; identical with corner No.1 of the South Constitution No.3 lode claim, Survey No. 3116;

Thence, second course, north thirty-eight degrees twelve minutes west one thousand four hundred fifty-four and fifty-six-hundredths feet intersect line 1-2 of the Nellie lode claim, Survey No.2803 at south forty-four degrees thirty-two minutes west ninety-seven and five-tenths feet from corner No.1; one thousand five hundred feet to corner No.3, a tamarack post five inches square, four and one-half feet long, marked 3-4-3116, with mound of earth and stone;

62/513

Thence, third course, north fifty-two degrees twenty-seven minutes east ninety-seven and fifteen-hundredths feet intersect line 4-1 of said Nellie lode claim, at north thirty-seven degrees twenty-nine minutes west thirty-two feet from corner No. 1; five hundred eighty-two and fifteen-hundredths feet intersect line 2-3 of Survey No. 3023, the Pennington lode claim, at north thirty-two degrees forty minutes west two hundred five and seventy inches square, four and one-half feet long, marked 4-3116, with mound of earth and stone; Thence, fourth course, south thirty-eight degrees twelve minutes east two hundred thirty-four and forty-three-hundredths feet intersect line 1-2 of said Survey No. 3023, at south eighty-nine degrees fifty-one minutes east forty-eight and four-hundredths feet from corner No. 2; one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said South Constitution No. 1 vein or lode;

Beginning for the description of the SOUTH CONSTITUTION No. 2 lode claim, at corner No. 1, identical with corner No. 3 of said South Constitution No. 1 lode claim, from which said quarter section corner bears north twenty-two degrees ten minutes thirty seconds east nine hundred seventy and eight-tenths feet distant;

Thence, first course, south fifty-two degrees twenty-seven minutes west three hundred feet to a point from which discovery cut bears north thirty-eight degrees twelve minutes west one thousand three hundred forty feet distant; six hundred feet to corner No. 2, a tamarack post five inches square, five feet long, marked 2-4-3116, with mound of earth and stone; identical with corner No. 4 of said South Constitution No. 2 lode claim;

Thence, second course, north thirty-eight degrees twelve minutes east one thousand five hundred feet to corner No. 3, a fir post five inches square, four and one-half feet long, marked 3-3116, with mound of earth and stone;

Thence, third course, north fifty-two degrees twenty-seven minutes east one hundred sixty-four and twenty-nine-hundredths feet intersect line 2-3 of said Nellie lode claim, at north thirty-six degrees twenty-nine minutes west one hundred six and forty-four-hundredths feet from corner No. 2; six hundred feet to corner No. 4, identical with corner No. 2 of said South Constitution No. 1 lode claim;

Thence, fourth course, south thirty-eight degrees twelve minutes east forty-five and forty-four-hundredths feet intersect line 1-2 of said Nellie lode claim, at north forty-four degrees thirty-two minutes east four hundred forty-two and five tenths feet from corner No. 2; one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said South Constitution No. 2 vein or lode;

Beginning for the description of the Chicago lode claim, at corner No. 1, a tamarack post six inches square, four and one-half feet long, marked 1-3-3116, with mound of earth and stone; situate on line 4-1 of said South Constitution No. 1 lode claim, from which said quarter section corner bears south sixty-four degrees twenty-three minutes thirty seconds five hundred fifty-two and eighty-one-hundredths feet distant;

Thence, first course, north fifty-two degrees twenty-seven minutes east three hundred feet to a point from which discovery cut bears south thirty-eight degrees twelve minutes east one hundred twenty-five feet distant; three hundred sixty-two and six-hundredths feet intersect line 1-2 of said Survey No. 3023, at north eighty-nine degrees fifty-one minutes west one hundred eighty-nine and twenty-six hundredths feet from corner No. 1; five hundred twenty-two and forty-eight-hundredths feet intersect line 4-1 of said Survey No. 3023, at north thirty-two degrees forty minutes west one hundred sixteen and two-tenths feet from corner No. 1; six hundred feet to corner No. 2, a tamarack post six inches square, four and one-half feet long, marked 2-3116, with mound of earth and stone;

Thence, second course, south thirty-eight degrees twelve minutes east one thousand five hundred feet to corner No. 3, a tamarack post five inches square, four and one-half feet long, marked 3-3-3116, with mound of earth and stone;

Thence, third course, south fifty-two degrees twenty-seven minutes west six hundred feet to corner No. 4, a fir post five inches square, four and one-half feet long, marked 4-2-3-3116, with mound of earth and stone;

Thence, fourth course, north thirty-eight degrees twelve minutes west one thousand five hundred feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said Chicago vein or lode;

Beginning for the description of the Spokane lode claim, at corner No. 1, a tamarack post six inches square, four and one-half feet long, marked 1-3116, with mound of earth and stone; situate on line 1-2 of said Survey No. 3023, from which said quarter section corner bears south twenty-four degrees thirty-seven minutes east five hundred six and nine-hundredths feet distant;

Thence, first course, south fifty-two degrees twenty-seven minutes west seventy-two and eighty-eight-hundredths feet to a point from which discovery cut bears north thirty-eight degrees twelve minutes west twenty feet distant; three hundred sixty-two and eighty-eight-hundredths feet to corner No. 2, identical with corner No. 1 of said Chicago lode claim;

Thence, second course, north thirty-eight degrees twelve minutes west two hundred eighty-two and ninety-seven-hundredths feet to corner No. 3, a fir post six inches square, four and one-half feet long, marked 3-3116, with mound of earth and stone; situate on line 1-2 of said Survey No. 3023;

Thence, third course, north fifty-two degrees twenty-seven minutes east three hundred sixty-two and eighty-eight-hundredths feet to corner No. 4, a tamarack post six inches square, four and one-half feet long, marked 4-3116, with mound of earth and stone;

Thence, fourth course, south thirty-eight degrees twelve minutes east two hundred eighty-two and ninety-seven-hundredths feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending two hundred eighty-two and ninety-seven-hundredths feet in length along said Spokane vein or lode;

Beginning for the description of the SOUTH CONSTITUTION No. 5 lode claim, at corner No. 1, identical with corner No. 1 of said South Constitution No. 1 lode claim;

Thence, first course, south thirty-eight degrees twelve minutes east five hundred seventy-two and four-tenths feet to corner No. 2, identical with corner No. 4 of said Chicago lode claim;

Thence, second course, south fifty-two degrees twenty-seven minutes west six hundred feet to corner No. 3, a fir post six inches square, four and one-half feet long, marked 3-3116, with mound of earth and stone, identical with corner No. 3 of said South Constitution No. 1 lode claim and corner No. 4 of the South Constitution No. 5 lode claim Survey No. 3023;

Thence, third course, north thirty-eight degrees twelve minutes west five hundred seventy-two and four-tenths feet to corner No. 4, identical with corner No. 2 of said South Constitution No. 1 lode claim;

Section No. 1 lode claim;

Thence, fourth course, north fifty-two degrees twenty-seven minutes east three hundred feet to a point from which discovery cut bears south thirty-eight degrees twelve minutes west one hundred five feet distant; six hundred feet to corner No. 1; the place of beginning the survey of the lode claim as above described, extending five hundred seventeen and four-tenths feet in length along said South Constitution No. 5 vein or lode.

Beginning for the description of the THWAITE lode claim, at corner No. 1, a fir post seven inches square, five feet long, marked 1-1-1-1-1-1-1-1, with mound of earth and stone from which the corner to Sections thirteen and fourteen, said Township and Range and said Sections eleven and twelve, bears south seventy-two degrees thirty-three minutes thirty seconds west nine hundred twenty-eight and nine-tenths feet distant;

Thence, first course, north eighteen degrees twenty minutes west one thousand five hundred feet to corner No. 2, identical with corner No. 4 of said Chicago lode claim;

Thence, second course, north fifty-two degrees twenty-seven minutes east six hundred feet to corner No. 3, identical with corner No. 3 of said Chicago lode claim;

Thence, third course, south eighteen degrees twenty minutes east one thousand five hundred feet to corner No. 4, a tamarack post six inches square, four and one-half feet long, marked 1-1-1-1-1-1-1-1, with mound of earth and stone; identical with corner No. 2 of the Toto lode claim, Survey No. 3113;

Thence, fourth course, south fifty-two degrees twenty-seven minutes west three hundred feet to a point from which discovery cut bears north eighteen degrees twenty minutes west fifty feet distant; six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said Thwaite vein or lode;

Beginning for the description of the SOUTH CONSTITUTION No. 4 lode claim, at corner No. 1, a tamarack post six inches square, five feet long, marked 1-1-1-1-1-1-1-1, with mound of earth and stone; identical with corner No. 1 of said South Constitution No. 5 lode claim, and corners No. 1 of the St. Paul and St. Louis lode claims, Survey No. 3113, from which the corner to said Sections eleven, twelve, thirteen, and fourteen bears north seventy-seven degrees fifty-nine minutes thirty seconds west four hundred nineteen and seven-tenths feet distant;

Thence, first course, north eighteen degrees twenty minutes west one thousand two hundred eighty-seven and four-hundredths feet intersect the east boundary of the southeast quarter of the southeast quarter of said Section eleven, at south nineteen minutes east one hundred eighty-six and sixty-six-hundredths feet from the northeast corner; one thousand four hundred eighty-three and seventy-two-hundredths feet intersect the north boundary of said southeast quarter of the southeast quarter of Section eleven, at west sixty and eighty-four-hundredths feet from the northeast corner; one thousand five hundred feet to corner No. 2, identical with corner No. 3 of said South Constitution No. 5 lode claim;

Thence, second course, north fifty-two degrees twenty-seven minutes east six hundred feet to corner No. 3, identical with corner No. 4 of said Chicago lode claim;

Thence, third course, south eighteen degrees twenty minutes east one thousand five hundred feet to corner No. 4, identical with corner No. 1 of said Thwaite lode claim;

Thence, fourth course, south fifty-two degrees twenty-seven minutes west three hundred feet to a point from which discovery tunnel bears north eighteen degrees twenty minutes west eight hundred thirty feet distant; six hundred feet to corner No. 1, the place of beginning; the survey of the lode claim, as above described, extending one thousand five hundred feet in length along said South Constitution No. 4 vein or lode; expressly excepting and excluding from these premises all that portion of the ground hereinbefore described, embraced in said mining claim or survey No. 3023; said Nellie lode claim, Survey No. 2303, and said southeast quarter of the southeast quarter of Section eleven, and also all veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; the premises herein granted, containing one hundred seven acres and nine hundred forty-two thousandths of an acre.

NOW KNOW YE, That there is therefore, pursuant to the laws aforesaid, hereby granted by the United States unto the said The Constitution Mining and Milling Company the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said veins, lodes or ledges and of all other veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary lines of said granted premises in said survey extended downward vertically, although such veins, lodes or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises; Provided that the right of possession to such outside parts of said veins, lodes or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes or ledges; and provided further, that nothing herein contained shall authorize the rentee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities and appurtenances of whatsoever nature thereunto belonging unto the said granted above named and to its successors and assigns forever; subject, nevertheless, to the above-mentioned and to the following conditions and stipulations;

FIRST, That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing or other purposes and rights to ditches and reservoirs used in connection with such water rights as may be recognized and acknowledged by the local laws, customs and decisions of courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND, That in the absence of necessary legislation by Congress, the legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving assessments, drainage and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Herbert Hoover, President of the United States of America, have caused these letters to be made patent and the seal of the General Land Office to be hereunto affixed.

Given under my hand, at the City of Washington, the first day of October, in the year one thousand nine hundred and twenty-nine and of the Independence of the United States the one hundred and fifty-fourth.

INSTRUMENT NUMBER 47638

Coeur d'Alene 010473

THE UNITED STATES OF AMERICA,
To all to whom these presents shall come,
Greeting:

WHEREAS, In pursuance of the provisions of the Revised Statutes of the United States, Chapter Six, Title Thirty-two, and the legislation supplemental thereto, there have been deposited in the General Land Office of the United States and the Plat and Field Notes of Survey and the Certificate of the Register of the Land Office at Coeur d'Alene, Idaho, accompanied by other evidence whereby it appears that The Constitution Mining and Milling Company has entered and paid for the Nellie and Minnie lode mining claims, designated by the Surveyor-General as Survey No. 2803, embracing a portion of Section eleven in Township forty-seven north of Range two east of the Boise Meridian, in the Yreka Mining District, Shoshone County, Idaho, and bounded, described and platted as follows,:

Beginning for the description of the Nellie lode claim at corner No. 1, a fir post four and one-half inches square, four and one-half feet long, marked 1-N-2803, in mound of earth and stone, from which the east quarter corner of Section eleven in Township forty-seven north of Range two east of the Boise Meridian bears south seventy-five degrees twenty-one minutes east one thousand two hundred thirty-seven and thirty-four-hundredths feet distant;

Thence, first course, south forty-four degrees thirty-two minutes west five hundred forty feet to corner No. 2 a pine stump four and one-half feet high, six inches square, marked 2-N-2803, in mound of earth and stone;

Thence, second course, north thirty-six degrees twenty-nine minutes west one thousand four hundred three and one-tenth feet to corner No. 3, a fir stump two and one-half feet high, four inches square, marked 3-N-2803, and 3-2620-D., identical with corner No. 3 of the Delta lode claim, Survey No. 2620;

52/290

Thence, third course, north forty-four degrees thirty-two minutes east two hundred fifteen feet to a point from which discovery bears south thirty-seven degrees twenty-nine minutes east sixty feet distant; five hundred fifteen feet to corner No. 4 a spruce post four inches square, four and one-half feet long, marked M-M-2803, in mound of earth and stone;

Thence, fourth course, south thirty-seven degrees twenty-nine minutes east one thousand three hundred ninety-nine and three-tenths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand three hundred ninety-nine and three-tenths feet in length along said Nellie vein or lode;

Beginning for the description of the Minnie lode claim at corner No. 1, a fir post four and one-half inches square, four and one-half feet long, marked L-M-2803, in mound of earth and stone, from which said quarter section corner bears south forty-eight degrees fifty-six minutes east one thousand thirty and twenty-five-hundredths feet distant;

Thence, first course, south fifty-two degrees twenty-seven minutes west five hundred fifty-five feet to corner No. 2 a fir post four inches square, four feet long, marked 2-M-2803, in mound of earth and stone, situate on line 4-1, of said Nellie lode claim;

Thence, second course, north thirty-seven degrees twenty-nine minutes west one thousand three hundred sixty-seven and three-tenths feet intersect line 3-4 of said Dakota lode claim at south forty-four degrees thirty-two minutes west seventy-six and three-tenths feet from corner No. 4, one thousand five hundred feet to corner No. 3 a balsam post five inches square, four and one-half feet long marked 3-M-2803, in mound of earth and stone;

Thence, third course, north fifty-two degrees twenty-seven minutes east fifty-four and eighty-one-hundredths feet intersect line 4-1 of said Dakota lode claim at north forty-seven degrees seven minutes west one hundred twenty-three and nineteen hundredths feet from corner No. 4; three hundred feet to a point from which discovery bears south thirty-seven degrees twenty-nine minutes east two hundred sixty-five feet distant; six hundred feet to corner No. 4, a fir post four and one-half inches square, four and one-half feet long, marked 4-M-2803, in mound of earth and stone;

Thence, fourth course, south thirty-five degrees forty-six minutes east one thousand five hundred and thirty-two-hundredths feet to corner No. 1, the place of beginning; the survey of the lode claim as above described extending one thousand five hundred feet in length along said Minnie Vein or lode; expressly excepting and excluding from these presents all that portion of the ground, hereinbefore described, embraced in said Dakota lode claim, Survey No. 2620, and also all veins, lodes and ledges, throughout their entire depth, the tops or apexes of which lie inside of such excluded ground; the premises, herein granted, containing thirty-six and four hundred seventy-five-thousandths acres.

NOW KNOW Ye, That there is therefore pursuant to the laws aforesaid hereby granted by the United States unto the said The Constitution Mining and Milling Company the said mining premises hereinbefore described, and not expressly excepted from these presents, and all that portion of the said veins, lodes, or ledges, and of all other veins, lodes and ledges throughout their entire depth, the tops or apexes of which lie inside of the surface boundary line of said granted premises in said survey extended downward vertically, although such veins, lodes or ledges in their downward course may so far depart from a perpendicular as to extend outside the vertical side lines of said premises: Provided, That the right of possession to such outside parts of said veins, lodes or ledges shall be confined to such portions thereof as lie between vertical planes drawn downward through the end lines of said survey so continued in their own direction that such planes will intersect such exterior parts of said veins, lodes or ledges: And provided further That nothing herein contained shall authorize the grantee herein to enter upon the surface of a claim owned or possessed by another.

TO HAVE AND TO HOLD said mining premises, together with all the rights, privileges, immunities and appurtenances of whatsoever nature thereunto belonging unto the said grantee, above named and to its successors and assigns forever; subject nevertheless, to the above mentioned and to the following conditions and stipulations:

FIRST. That the premises hereby granted shall be held subject to any vested and accrued water rights for mining, agricultural, manufacturing or other purposes, and right to ditches and reservoirs used in connection with such water rights, as may be recognized and acknowledged by the local laws, customs and decisions of the courts. And there is reserved from the lands hereby granted a right of way thereon for ditches or canals constructed by the authority of the United States.

SECOND: That in the absence of necessary legislation by Congress, the Legislature of Idaho may provide rules for working the mining claim or premises hereby granted, involving easements, drainage, and other necessary means to its complete development.

IN TESTIMONY WHEREOF, I, Woodrow Wilson, President of the United States of America, have caused these letters to be made Patent, and the Seal of the General Land Office to be hereunto affixed: GIVEN under my hand, at the City of Washington, the Twenty-eighth day of November, in the year of our Lord one thousand nine hundred and Seventeen and of the Independence of the United States the one hundred and forty-second.
